

**MEP...MAXIMIZING ENGINEERING POTENTIAL**

# **QUEST**

## **CAL POLY POMONA'S MEP SUMMER PROGRAM**

Co-sponsored by:

The National Science Foundation- Louis Stokes Alliance for Minority Participation

**JULY 13, 2008 - AUGUST 9, 2008**

We extend an invitation to you to apply for MEP's ninth annual *QUEST* summer transition program. *QUEST* is a commuter program that offers incoming freshmen an opportunity to enhance their academic skills while assisting them in making the transition to Cal Poly Pomona. *QUEST* is an intensive, academic program that stresses group learning and collaboration, and fosters the development of a learning community among its students.

### **DURING THE FOUR-WEEK PROGRAM, WE PROVIDE:**

- Tuition-free courses in mathematics, and science or technology taught by university professors
- Academic Excellence Workshops
- A graphing calculator (a \$120 value)
- Academic advising
- Company tours & field trips
- Student development activities
- A stipend for those who satisfactorily complete the program

### **WE REQUIRE THAT YOU:**

- Take the EPT/ELM **and** the Math Diagnostic Placement Test (MDPT) by May 1st, *or* provide documentation showing college credit for a calculus course
- Submit a completed MEP and QUEST application, and pay the \$100 fee by the deadline
- Submit all supplemental information when requested (test scores, personal statements, and grade/course information)
- Attend the campus Orientation Services prior to the start of QUEST
- Enroll in Cal Poly Pomona the following fall quarter

***DAILY CLASS SCHEDULE: MONDAY- FRIDAY, 9AM- 4PM***
