What electives will be taken? (0-22 units)

Please take note of the following. This display of degree requirements is to be used in conjunction with advising documents available in the AMM Dept. office and on the AMM Dept. site in blackboard.csupomona.edu (access restricted to currently declared AMM students). The advising documents are a 4-year Plan, Prerequisite Trails, and a 4-year Schedule of Classes. Most of the advising documents are also available on the AMM Dept. website at www.csupomona.edu/~amm. There is additional information (including course descriptions) in the University Catalog for 2007-2008 at http://www.csupomona.edu/~academic/catalog/col_schol/CoAg.pdf. To graduate in 4 years, a student must take at least 15 units in 3 quarters during the year, or 45 units per year. This is a full load that requires a minimum of 15 hours in the classroom per quarter and another 30 hours outside the classroom to successfully complete course work. Students should severely restrict part-time work hours if they are taking 15 units.
