

# College of Agriculture Scholarships

## **Message from the Dean**

*This website has been prepared for new and continuing students enrolled in the College of Agriculture at California State Polytechnic University, Pomona. Because we know that our students make great sacrifices in order to pursue their education, we have made every effort to increase the number of available scholarships in the College and to provide information about scholarships offered by apparel, food and agriculture-related companies, organizations and government entities.*

*Additional scholarships are also available through the Financial Aid Office located on the third floor of the CLA building (bldg. 98-T3-3). For more information, please visit their office or call (909) 869-3700.*

*Unless noted otherwise, questions about specific scholarships should be directed to the appropriate department.*

Lester C. Young, Ph.D.  
Dean, College of Agriculture
