Cross Tab Report: President - Question #3

Response Status: Completes

Filter: President Only

The initial survey asked for individuals to rank 11 unique qualities that may be important for Cal Poly Pomona and then rank how Cal Poly Pomona performed in those areas. One of those qualities was diversity, which consistently scored in the bottom half of qualities that should be emphasized at Cal Poly Pomona, but near the top (#2 overall) in terms of how Cal Poly Pomona is performing on that quality. Based on that information, please state whether you strongly support, support, neutral, oppose or strongly oppose in each of the following statements.: The student body at Cal Poly Pomona reflects the diversity of the region

Response Status: Completes

Filter: President Only

Some focus groups participants recommended that Cal Poly Pomona should consider a name change, to broaden its identification beyond the geographical region of Pomona and distinguish the university from Cal Poly SLO. Based on that information, please state whether you strongly support, support, neutral, oppose or strongly oppose the following statement:: Cal Poly Pomona should have a name that reflects a broader geographic area
