

March, 2006

Dear Recruit,

Cal Poly Pomona University will be hosting a tryout/audition on Saturday, March 18th, 2006, 8 am-10:30 am. The audition will be held in the Darlene May Gymnasium (refer to campus map-Bldg. #41). The objective of hosting this audition is to provide the coaching staff an “in person” evaluation of your volleyball skills. There is always the possibility that we missed seeing you at one of the local club tournaments held in Southern California or that you have completed your eligibility at a two year college.

We encourage you to participate if your objective is to further your volleyball career at the collegiate level. Fundamental skills and game knowledge will be evaluated. Following is a list of documents that must be sent or brought to the tryout before participating.

1. Physical exam from a physician (MD or DO only) prior to your try-out period. This proof of physical exam must have the physician’s signature and stamp. Arrangements for a physical exam can be made through the student health center (Cal Poly) or through a personal physician. This requirement is solely the responsibility of the individual trying out and does not take the place of the athletic department physical examination if you should make the team.
2. Letter of release signed by your high school/junior college Athletic Director. The letter explains that your eligibility has been completed at your respective school, and that your coach / athletic director knows of this event.
3. Parking permits must be purchased on a daily basis for \$5.00. Place the permit on the inside of your windshield. If you receive a parking violation, it will be your responsibility for the payment.
4. Unofficial copy of High School/Community College transcript, and work in progress courses.

4. RSVP confirming your participation. Send this either e mail, or fax or letter.

5. Directions To Campus: From locations East of CPP: I – 10 West; exit at Kellogg Drive / take left and stay in left lane/ proceed through 2 stop signs and you will come to the Parking Information Booth. You will see a Yellow a Parking Dispenser here.

Purchase a permit, and proceed to your right. Locate Lot N, and turn right / proceed through the new housing construction, and park in Lot N which is the closest lot to Bldg. 41. Walk to the gym which is located west of the pool.

From location West of CPP: I – 10 East; exit at Kellogg Drive. Follow directions above. From locations South of CPP: 57 North ; exit at Temple Ave / turn left and head west on Temple Ave/ continue west through Valley Blvd. (rr tracks) / turn rt at South Campus Drive / proceed to the parking information booth, and purchase permit / follow direction above.

I am looking forward to your tryout. Remember to confirm early.

Sincerely,

Rosie Wegrich
