In addition to this cover sheet, you must

- Ask each of your references to complete a reference form and a letter of recommendation
- Write a personal statement of at most two pages.
- Print out and attach a copy of your Cal Poly unofficial transcript.

In your personal statement, you may choose to address some of the following:

- What your future plans are, in particular as they relate to how you will use your degree in math.
- Why you are a math major.
- Your financial need.
- Any hardships that you are experiencing or have overcome in your studies as a math major
- Anything else the committee should know.

Please return this cover sheet and all application materials listed above to Dr. Berit Givens or Dr. Amber Rosin by March 21, 2008.
