

Governor's Employee Safety Awards (GESA) Guidelines

Introduction

The Governor's Employee Safety Awards (GESA) was established in 1980 to highlight and encourage safety on the job by recognizing individuals and groups who have provided outstanding safety and health service to the State. Awards are presented to individuals or groups who have responded to hazardous or life threatening events, as well as those who have developed safety programs that are not part of their normal duties during the preceding year. The awards ceremony is held in Sacramento, and is presided by the Governor or a representative from the Governor's Office.

Who's Eligible

State employees and State departments.

Award Categories

Awards are categorized by Group, Individual, and Departmental. A single "Excellence in Occupational Safety" award will be presented to an individual who makes an outstanding contribution to safety or health resulting in the prevention of workplace injury or illness **and** whose primary responsibility is safety or health.
