

**Project Lead The Way**  
**INFORMATIONAL CONFERENCES**  
Cal Poly Pomona College of Engineering

Please join us for the upcoming Project Lead The Way (PLTW) Informational Conferences to learn more about how your middle school or high school can participate in exciting project and problem-based learning opportunities.

**Friday, October 9, 2009**

**Friday, January 8, 2010**

**Friday, April 16, 2010**

Location: Informational Conferences will be held at Cal Poly Pomona. An email confirmation will be sent to registrants to provide building, room number, and parking information.

Morning refreshments, light lunch and campus tours will be available.  
Agenda, driving & parking directions will be sent in an email confirmation to you.  
No registration fee required.
