

Summer Internships

Learn and Earn at SCE!

College Summer Internships are available in our
Information Technology (IT) Department

SCE's College Internship Program is designed to provide students an opportunity to complement their academic knowledge with the real world work environment. This program provides the opportunity to develop transferable skills, as well as acquaint you with the mission and goals of our company.

Listed below are some of the majors we are looking to hire into our program.

Computer Engineering
Accounting/Finance

Management Information Systems/IT
Business Administration
