TOUR OF THE CITY OF RIVERSIDE TMC & WIFI PROGRAM

The City of Riverside inaugurated their State-of-the-Art TMC a couple of months ago to relieve the traffic congestion on their streets. Please come and visit the TMC, built with the latest and greatest technology in mind. The seminar will be held in the Mayor Ceremonial Room on the 7th Floor of City Hall. After lunch and presentation, you will be escorted to the 4th Floor where the real show is, i.e. the TMC.

President's Message

Hello Everybody:

If you missed out on last month's event, you really want to make up for it this time. We had a record turn out (about 60) in our first monthly meeting last month, which also turned out to be the Historic Attendance. You guys are doing great. Keep it up. We need your support and promise to bring exciting programs right here in our Inland Empire. This month we will meet at the City Hall which happens to be my workplace as well. So expect some warm welcomes. Don't forget to RSVP to reserve your spot. See ya!
