So what is **ite** ?

ITE = Institute of Transportation Engineers

An organization

- that promotes professional development of its members
- supports and encourages education
- stimulates research
- and serves as a conduit for the exchange of professional information

Do you want to...

- Solve real-world problems using state of the art technology?
- Work with a wide variety of professionals -government leaders, engineers, planners, architects, land developers, lawyers and others?
- Be involved in your community?
- Focus on people, as well as technology?
- Help reduce the impact of transportation on the environment?
- Help reduce traffic??????

What does the chapter do?
