

ACKNOWLEDGEMENTS

We wish to thank
all the students who agreed to participate in this study
but who must remain nameless.

We gratefully acknowledge the assistance and input of
Gabriela Sonntag, California State University San Marcos
and
Carol Bednar, California State University Fullerton.

We also wish to thank all
those librarians who assisted us at the data sites especially
Ann Perkins, California State University Northridge,
Jo Bell Whitlatch, San Jose State University,
Linda Goff and Ben Amata, California State University Sacramento,
and Carol Bednar, California State University Fullerton
as well as all the members of the
Info Comp Task Force chaired by Kathleen Dunn.

Our thanks to the following faculty and technical staff at each research site
for their assistance in organizing and completing the screen capture research in
the library instructional computer labs:
Carol Bednar and Roger Harrison at California State University Fullerton;
Sue Curzon, Ann Perkins, Michael McFarland, and Eric Willis
at California State University Northridge;
Jo Bell Whitlatch, Altaful Khan, and Blake Morris at San Jose State University;
Linda Goff, Ben Amata, and Jim Hayes at California State University Sacramento.

The testing of Camtasia was aided by a student assistant, Kevin Lavin.
