Make a difference ... Teach!

## HIGH SCHOOL TUTOR TRAINING SUMMER INSTITUTE

**August 3 – August 5, 2006**

MaSTER<sup>2</sup> is administered through the Department of Mathematics and Statistics at Cal Poly Pomona. Our summer tutor training institute will be offered to qualifying students from our partnering Districts: Pomona, Rialto, Rowland and Snowline. Students who complete the training will receive National Certification as a Level-One Tutor. We are recruiting students who are interested in becoming mathematics teachers. Participants will be housed on campus and all meals will be provided. Along with a campus tour, we will offer opportunities (August 5) for you and your parents to meet with representatives from the Mathematics Department, Financial Aid, and Admissions. All training materials are included and after the training we will continue to support you with tutoring opportunities in your district. Please note that there are a limited number of openings and we will notify you by July 1<sup>st</sup> if you have been accepted.

Here is how to apply:

- ✓ Complete this application including a signature from a math teacher in your district
- ✓ Enclose a short statement explaining why you would like to attend the MaSTER<sup>2</sup> Tutor Training
- ✓ Mail this application and your short statement to: Cal Poly Pomona, Math Dept. – MaSTER<sup>2</sup>  
3801 W. Temple Ave.  
Pomona, CA 91768

**Deadline for applying: June 15, 2006**
