How do I access BRONCODIRECT?

Anyone can connect to BroncoDirect by visiting the website at

<https://broncodirect.csupomona.edu>, or by clicking on the BroncoDirect logo on Cal Poly Pomona's homepage at www.csupomona.edu.

Most of the services through BroncoDirect require an individually assigned BroncoNumber and Password. BroncoNumbers replace current Student IDs as the primary identifier in the student information system. Students will receive their unique BroncoNumber and Password in March and BroncoNumbers/Passwords should be kept confidential at all times.

A Sign-On Help Box is available online at BroncoDirect to assist with questions about accessing the system.

BroncoDirect will continue to evolve and expand over the course of the next year and we look forward to bringing you these services. Please visit BroncoDirect frequently to learn about additional services and updates.

When is BRONCODIRECT available?

BroncoDirect is generally available 22 hours a day, 7 days a week. BroncoDirect may be unavailable for short periods of time for general maintenance and upgrades, and these times will be posted on the website.

In addition to BRONCODIRECT, will the Automated Voice Response System still be available?

Yes, the services available through Voice Response will continue to be available at (909) 468-5020. Prior to April 26, students may continue to access Voice Response with a current Student ID and PIN. Beginning April 26, students must use their new BroncoNumber and their current PIN.

The BroncoDirect Team is interested in receiving your comments and may be contacted at iit_projects@csupomona.edu.
