Requirements:

You will research any severe disability that has impacted the life of an individual who is functioning at the moderate, severe and/or profound I.Q. range. **You will be responsible for: a 3-5 page research paper and presentation.** Include your references.

Include the following components when preparing your research.

- Cause
- Characteristics
- Behavioral Issues
- Medical issues/needs
- Available Support Services at home for the student
- Available Support Services at school for the student
- Support for families
- Assistive Technology

Include:

- Create 1 Adapted PE lesson that must be attached.
- Connect & identify the content standard to the lesson.
- Specify the grade level.

Presentation:

- You will give a 10-15 minute presentation in front of the class.
- Feel free to utilize any form of technology you wish.
- Be creative.
- Provide a 1 page fact sheet on the disability to each class member.

Evaluation:

- Quality and depth of the researched disability
- Quality of the researched components presented
- Appropriateness of the Adapted PE lesson
- Quality of the fact sheet provided to your colleagues
- Presentation skills

Due 11/28/07
