**CRITERIA FOR ORAL PRESENTATION**

**Amount of Time:** You will have 30 minutes to present your assigned topic. Please do not exceed this allotted time.

**Assignment:** You will present the assigned topic to the class, covering the following information:

1. Topic title
2. Reason you selected this topic
3. Current research on the topic
4. Relationship to the APE Guidelines
5. Application to teaching, include the service delivery model and population
6. Any other information that is relevant to the topic

**Presentation:** Oral presentation including videos, overheads, demonstrations, equipment, etc. (Anything that would help you to teach the topic to the class.) The oral presentation does not have to follow the exact order above but should cover the above information. You should not read to the class, but know your material well enough to present it in a professional manner.

**Evaluation:** Total points (100) will be awarded if the presentation covers the above aspects in 30 minutes. Presentations that go over 30 minutes will be terminated. Presentations that are less than 30 minutes in length will not receive full credit.
