TED 434 Secondary Curriculum Methods for Physical Education
Fall 2004

CRITERIA FOR ORAL PRESENTATION

Amount of Time: You will have 15 minutes to present. Please do not exceed this allotted time.

Assignment: Select one of the topics and present the material from the Siedentop text. You may use other resources as well, but start with Siedentop as the main reference.

Presentation: You will have 15 minutes to introduce topic to the class.

1. Oral presentation including videos, overheads, demonstrations, equipment, etc. (Anything that would help you to teach the class your topic.). You should not read your written handout, but use it as a guide for your presentation. Professional attire and appearance is also expected.
2. Provide a written handout summarizing the important aspects of the topic you presented. Be sure to include your resources, using a correct style of referencing. Make enough copies for the entire class.

Evaluation: Worth 70 points. (written 40 and presentation 30).

Written: Develop the topic in a well written format for easy use and reference.

Oral: Present in a professional manner, using good voice control as well as a variety of AV materials that help present the topic adequately.
