OBJECTIVE

Seeking an opening or internship position in the field of Electrical or Computer Engineering that will enhance my Engineering and people skills.

EDUCATION

California State Polytechnic University, Pomona, CA
Class Standing: Senior
Degree: BS in Electronics and Computer Engineering Technology
Graduation Date: June 2001
Cal Poly G.P.A. 3.30

San Bernardino Valley College, San Bernardino, CA, 1996-1998

EXPERIENCE

Intravenous Technician of Sterile Solutions June 1994-present
(Loma Linda University Medical Center, Loma Linda, CA.)
Compound IV, Enteral Feedings, TPN
Feedings, and Narcotics in a sterile environment.

Laboratory Work September 1998-present
(California Polytechnic University- Pomona, CA.)
Hands on experience with Digital and Analog Meters,
Oscilloscope, Frequency Generator, EPROM programming using
ALLMAX, and 68HC11 Microcontroller programming using
Assembly Language.

RELEVANT COURSES

AC/DC Circuit Analysis	Microprocessor Technology
Semiconductor Devices	Solid State Circuit Analysis
Digital Logic Systems	Dynamics

COMPUTER SKILLS

C/C++ Programming	MS Word 97
BASIC Programming	MS Excel 97

Activities and Awards

Alpha Gamma Sigma - Academic Honor Society, San Bernardino Valley College, San Bernardino, CA 1998

Electronics Technology Certificate, 1998, (San Bernardino Valley College, San Bernardino, CA)

Communications Technology Certificate, 1998, (San Bernardino Valley College, San Bernardino, CA)

FCC Radiotelephone Operator License, June 1998-

Member of Southern California Engineering Technologist Association, 1998-present.

Member of Society of Hispanics in Science and Engineering, 1998.

Member of Tau Alpha Pi, Engineering Technologist Honor Society, Cal Poly Pomona, February 2000-
