This form and a Thesis Proposal must be completed, signed and on file in the Urban and Regional Planning Office within three weeks of the start of the first quarter you register for URP 696.

The Thesis Proposal is a 1-2 page typed proposal concisely describing your thesis topic, including the type of study you are undertaking, your preliminary methodology, a description of the literature to be reviewed, what you expected to learn from the study, and the potential contribution to planning. The Thesis Proposal should follow a review of "Demystifying the Thesis" which is available in the Department office and discussions with your intended Thesis Committee Chair.

The Thesis Committee must consist of three members. The Thesis Committee Chair and one other member must be faculty members of the Department. The third member may, upon approval of the Graduate Coordinator, be from outside the Department.

We have reviewed the attached Thesis Proposal and agree to serve on this student's Thesis Committee:
