A Clean, Well-Lighted Place

The University Writing Center has a new location!

Our experienced, friendly tutors can help you get started on a paper, revise a draft, or learn to proofread your work. We have handbooks and dictionaries to consult, and computers for typing and internet research. If you need some help with the GWT, we have workshops, sample topics, and handouts about writing strategies. Call us and make an appointment, or drop in for a chat! All services are free to Cal Poly Pomona students.

The UWC is now located in Building 15 (Library), Room 2919. Summer hours are M-Th, 8:00-6:00.
