

## CE Senior Project Assignments, Spring 2010

The final project assignments are listed below. Changes will be made only for compelling reasons. Any changes require the agreement of all students and advisors affected and the approval of the course coordinator.

Students must enroll in their assigned CE 491 section during the Spring 2010 add period starting March 23, 2010. The CE 491 section numbers correspond to the project numbers listed below.

Questions about assignments should be directed to the course coordinator, Prof. Kitch. Questions about projects should be directed to the individual project advisors.
